## APPLICATIONS

- Garden water supply and irrigation
- Water storage tank pump set
- Water transfer

## SUITABLE FOR

- Supplying water to the garden
- Ideally suited for 1 to 2 garden taps

## FEATURES & BENEFITS

- Reliable, efficient performance
- Automatic pressure controller giving consistent pressure supply
- Run dry protection

## CONSTRUCTION

- Cast iron Impeller housing
- Brass barrel union with O-ring seals
- Stainless steel motor & pump shaft
- Carbon/Ceramic mechanical seal
- Quick plug pressure controller
